**President's  
Message  
to  
Members**

Once again, on behalf of our board and you, our Membership, I look forward to our 2022 golf season with excitement. It's seems to have been a very long winter.

Continuing upon last year's theme, we need to keep in mind our Pickwick heritage and the need to sustain and renew our club. Our fellowship and membership should still be of critical importance deserving our continued focus.

Veterans Memorial had a tough 2021 season as was brought forward at our Fall Dinner. The Board and I have been addressing this with Course Management. The course operates within the department of Morale, Welfare and Recreation (MWR) and we have been in touch with them, as well, about the issues we faced last year.

As always, we are very interested in your ideas, input for improvement, and comments. Let's make 2022 another progressive year for the Pickwick Golf Club, and thanks to all of you for your support.

**Bill Martin**  
President

## SOMEONE YOU SHOULD KNOW... Adam Anderson

Adam Anderson, 37 and a lifelong golfer who in high school was a three time all conference player in Cudahy, WI, a suburb south of Milwaukee. After figuring out the hard way college was not for him he realized his love and passion for golf was too great to ignore. So after 5 years of college and working at Oakwood Park Golf Course, he pursued his passion and moved with his wife Joelle to South Florida.

It is there that he worked his way up through the ranks and ultimately became the Director of Golf at Panther Run Golf Club in the Naples, FL. area. After 7 years in the sunshine state and one child later, he and his wife Joelle and son Miles, moved back home to Wisconsin.

After a brief stay in the Logistics industry he became an assistant golf pro at Chenequa Country Club in Hartland, WI. During this time he and his wife welcomed their 2nd child, Amelia, now 5. His family is his life and his reason.

In 2018, he accepted the General Manager position at Veterans Memorial Golf Course and has been able to grow his passion for this great game, as well as having the honor to serve many he is inspired by... the active and retired military population.

With the support and help of a great team, he envisions many great things to come at Naval Station Great Lakes. He is happy to have cultivated a great relationship with the Pickwick Golf Club and hopes it continues into the future.

***Three exciting tournaments are planned for the Pickwick's 2022 golf season. Our tournaments require a USGA Handicap Index. The entry deadline for tournaments this season is May 15, 2022***

1. **Club Championship & 1ST Flight:** Beginning on June 1, 2022, an 18-hole match play tournament will be played in flights determined by handicap, but match play tournament hole scores are not adjusted for handicap (i.e. a "scratch" tournament). All matches are to be played from the proper tees - Ladies - Forward tees, White (regular) tees – Men with handicap index below 16.1, Yellow tees - handicap index 16.1 or above.

**There is no entry fee for this tournament.**

2. **Seniors Tournament:** Beginning May 20, 2022, a 9-hole match play tournament in which one-half of a player's 18-hole handicap applies, but no more than one stroke per hole. Players must be 55 years of age prior to the start date of this tournament. All matches are to be played from proper tees – Ladies forward tees, Men yellow tees.

**Entry fee for this tournament is \$10.00.**

3. **Wild Goose Chase:** Beginning May 20, 2022 an 18-hole match play tournament with full handicap, but no more than one stroke per hole. Ladies will play from the forward tees. Men with handicap index below 16.1 will play from the white tees. Participants handicap index 16.1 or above, may play from the yellow tees.

**Entry fee for this tournament is \$15.00.**

Members desiring to participate in tournament(s), please return the completed entry form and your check payable to Pickwick Golf Club for entry fees.
