WINNERS**

**CLUB CHAMPION
David Lee**

**CHAMPION
FIRST FLIGHT
Joe Moninski**

**SENIORS
John DeReu**

**WILD GOOSE
Norm Stranczek**

It has been my pleasure to be the club president for the last four years. During that time, the club has grown and diversified. We lost some long-time members and friends, and gained new ones. There have been some fun and highly competitive matches, many going extra holes.

A special thanks goes out to Mike who has carried the major administrative burden of the club and to the other board members who have volunteered their time. A special thanks also to those at Willow Glen who continue to be our partners.

Finally, I want to re-emphasize membership. This is what keeps our club going. Remember that bringing in a new member equals a free membership for you next year.

Thanks to all.

John DeReu

SOMEONE YOU SHOULD KNOW... BILL MARTIN

Born and raised in Chicago, I grew up on the northwest side of Chicago in Norwood Park.

I have been married to Beth, for 39 years. We met at Taft High School when I was in a production of "Mame", and Beth was putting make-up on me. We were not blessed with any children, so we spoiled the heck out of our 13 nieces and nephews.

I received a BS in Marketing from DePaul University. For most of my working life I was employed by AT&T for 26 years in various sales functions. While I am now retired, Beth is still working for the Buffalo Grove Police Department as their evidence custodian and adjudications administrator.

Beth and I have been fortunate to have best friends who are travel agents, and have traveled extensively. I think we're only missing Antarctica, Africa, and India from our itineraries

Throughout the years, a group of friends and I have spent time building and installing necessities for victims of ALS; survivors of Hurricane Katrina in Gulfport, MS; mentoring youth in homebuilding for the less fortunate in Appalachia and Wisconsin; as well as the necessary fundraising to accomplish this work.

I played with Pickwick at Glenview NAS with Mike Stockreiter, who I have known for thirty years. I joined the club after their move to Willow Glen.

GOLF CART PACE - BILL MARTIN

How to speed up play when riding in a cart

Driver takes passenger to their ball and drops passenger off, drives to their ball and the players make their shots. If driver's ball is away, then driver gets dropped off and passenger drives the cart to their ball. **SAVED – 30 seconds per shot for 60 shots – 30 minutes per round**

When arriving at the cart to drive away, do not go to the bag. Get in the cart with the club you just used and move on. You will be going to the bag for your next shot. You can put the club you just used in your bag then. **SAVED – 10 seconds per shot for 60 shots – 10 minutes per round**

At the green, move the cart to the rear side of green so when you exit to the rear, the next group can play up when ready. **SAVED – 30 seconds per hole for 18 holes – 9 minutes**
These three basics just saved 49 minutes!!!
